

ICS Intramural Soccer Registration

Games Duration March 14-May 10, excluding spring break

Intramural soccer is open to all current ICS students. The expectation is that 2-4 teams will be formed. Players are picked and assigned to teams by captains using a draft process, as long as enough people sign up. Last year people couldn't make all games so we did a draft at the beginning of each game, so teams were fluid but it was fun. This year, the goal is to have set teams if possible. No Fee. Students MUST wear shinguards. Fill in ALL information including parent info legibly. Return sign-up form and emergency release form to me via email before March 14th.

Parent meeting - March 5 at 5:30 at ICS. Students also welcome. If you are unable to make the meeting and want to sign up, please contact me. Dates/times of Games after March 14th and whether to hold practices will be determined at the parent meeting. First game is March 14th at ICS. Parents will need to provide a signed emergency release form prior to first game.

PLEASE WRITE CLEARLY AND FILL IN ALL LINES (if applicable)
