

**ICS PTSA Sponsored and Intramural Clubs and Activities
Liability Release Form**

The ICS PTSA sponsors after-school enrichment activities such as the Music Program, Intramural Sports, the Chess Club and the Math Club. There are also non-PTSA sponsored activities, such as FBLA. Most of the time these activities meet on a regular basis at ICS. There are, however, occasions when travel is necessary to attend meets, concerts, competitions, etc. The travel to and from these events and supervision of participants at such events is solely the responsibility of the parents of the child participating. PTSA will not arrange or be in any way responsible for the travel arrangements or the behavior of the participants at such events. In the case of car travel, the individual driver's auto insurance covers the liability of travel to and from the event, just as would be the case if a parent drove for a school-sponsored field trip. PTSA does not incur any liability for travel to or from such events, or the actions of participants at such events.

By signing below, you acknowledge that, as a parent of this student, you are liable for transportation and responsible for the actions of this participant in an event held off ICS school grounds. ICS PTSA or its officers are not liable for transportation, nor responsible for the student's actions while at this event.

Event and Date: _____

Mode of Transportation: _____

Participant's (Student) Name: _____

Parent Signature: _____

Date: _____

Name of Club/Activity: _____
