

Feb 9 2016

Martha, representative from the Levy and Citizens Bond Committee came to present the latest bond proposal.

- Current enrollment is growing rapidly.
- Current bond proposal designed to be a very cost effective solution to school overcrowding problem.
- Any school renovations will also increase sizes of existing schools.

Dr. Moncada

Thank you to volunteers for many activities at the school.

A.L.I.C.E security update

- The teachers and staff have been received security training for the types of threats we have been hearing about in the news.
- Alert: be aware of your surroundings
- Lock: secure your area
- Inform: Pass along information
- Counter prepare to counter
- Evacuate: Move out!

Worked with Kirkland police.
Students in high school

Modified lock down is when there is an incident in the area and the school is locked down, but classes happen normally.

Bond

One of the four fastest growing districts in the US
6th to 4th largest school district in the State
No new building in last 3 years.
